RISTRETTO PERFECTO

For those who want a touch of control to keep their ristretto perfecto!
The Ruggero Alfa continues the tradition of world-renowned reliability, exceptional coffee making ability and the unique option to customise the machine to your individual specifications.

The Ruggero Alfa is hand-made in Melbourne by a team of expert artisans. From the hand-laid strong fibreglass shell, through to the solid brass decorative chrome trim, each component has been forged from quality materials by hand, to form the unique shape, The Ruggero Alfa.

Featuring PID technology for precise temperature control and adjustment to satisfy the most discerning baristas. Why not select from a range of upgrades to tailor this machine further to your needs and your style of coffee.

Designed and manufactured right here in Australia for the Australian coffee industry. You can 'Espress yourself' with an unlimited choice of colours, display your logo, #hashtag or your motto in the back-lit light box.

These are features that make the Ruggero Alfa Multi Boiler a truly unique espresso machine. Exclusive to Disavè Espresso Equipment Suppliers.
